Kinder Zoo Excursion

18 July 2024

The big day finally arrived for our Kinders to go on an exciting adventure to the zoo! The sight of the big bus in the Gum Nut driveway fueled them with excitement as they prepared for their big day out. Before heading off, we gathered everyone together to go over the important safety rules. The Kinders understood the need for their tags, hats, and the importance of staying with the group.

At the zoo, the Kinder children were thrilled to see many animals they recognised from their favourite stories, movies, and books. The highlight of the day was attending a nature play educational workshop with Zoo Teacher Sally. During the workshop, we learnt about the importance of caring for animals and creating environments where they can thrive. The Kinders had a fantastic time, exploring the zoo and making wonderful memories!

WE DID IT!!

Thank You for Your Incredible Support!

We are thrilled to announce that, thanks to your generosity, we have successfully surpass our goal of \$800 for Pyjama Day!

Your contributions will provide much-needed support to children in foster care, giving them the comfort and care they deserve.

Thank you for participating and making this Pyjama Day a huge success!

Warm regards,

Hello,

As we start planning for the upcoming Kinder year, we would like to gather information about enrollment plans for Kindergarten in 2025.

Understanding our families' intentions helps us ensure we are fully prepared to meet the needs of all our children. Could you please let us know whether you plan to enroll your child in either of our kindergarten programs next year? If so, we would appreciate it if you could fill out and return the attached letter for the first offer (links below).

Your response will greatly assist us in preparing an amazing kindergarten year for 2025. If you have any questions or need further information, please do not hesitate to contact us.

Family Input

At Gum Nut we believe in working together and recognise the value of family input. It allows us to foster a sense of belonging for both parents and child. When this collaboration happens, it strengthens the child's identity and enhances their learning.

The Early Years Learning Framework (EYLF) states, “Educators’ practices and the relationships they form with children and families have a significant effect on children’s involvements and success in learning. Children thrive when families and educators work together in partnership to support young children’s learning.”

All of our programs invite parents to participate; you could share an interest or skill, teach a new song, play an instrument or share a cooking activity.
